

THE MANAGEMENT BOARD COMPENSATION SYSTEM 2020+

ILLUSTRATIVE SUMMARY

■ COMPENSATION SYSTEM 2020+

INTRODUCTION

- The Supervisory Board attaches great importance to good corporate governance – also in the area of the compensation of the Management Board.
- Therefore, the Management Board compensation system has been comprehensively revised based on:
 - intensive discussions with external stakeholders,
 - the statutory changes resulting from the Second EU Shareholders' Rights Directive, and
 - the latest revision of the German Corporate Governance Code.
- The Supervisory Board is convinced that the changes to the compensation system will significantly contribute to further incentivize bringing the long-term strategic business orientation with due consideration of the amended regulatory framework even more in line with the further evolved interests of the Company's shareholders.
- The revised compensation system for the members of the Management Board
- An overview on the Compensation System 2020+ is provided in this presentation for illustrative purposes – for further details please see the solely governing Invitation to the Annual General Meeting that has been published in the German Federal Gazette (*Bundesanzeiger*).

■ COMPENSATION SYSTEM 2020+ FURTHER DESIGN ELEMENTS

Share ownership

Share ownership is part of the Compensation System 2020+ in order to **further strengthen the alignment of the Management Board members with the interests of the Company's shareholders**. Such share ownership is provided via a **mandatory investment in Company shares** as part of the Long-Term Incentive. The Supervisory Board can introduce additional share ownership requirements under the Compensation System 2020+ in the future.

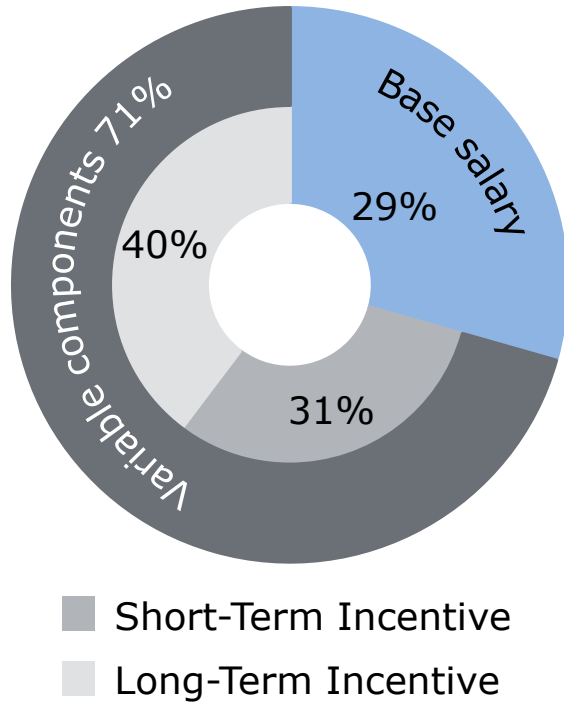

Malus and clawback

The Supervisory Board is entitled to **withhold or reclaim variable compensation components in cases of conduct or behavior of a member of the Management Board not complying with its duties or internal Company guidelines**, considering the characteristics of the individual case. Within this framework the Supervisory Board ensures that contractual provisions are in place determining detailed requirements applying to withholding or reclaiming variable compensation components and setting forth the consequences thereof, including **the forfeiture, in full or in part, of all or some variable compensation components**.

Severance payment cap

Payments in connection with an early termination of a Management Board appointment may **not exceed the value of two (2) years' compensation and may not compensate more than the remaining term of the relevant service agreement**. For the calculation of the relevant annual compensation, **only non-performance-based compensation components may be applied**. **If there is good cause for the termination of the service agreement no severance payments are made**.

■ COMPENSATION SYSTEM 2020+ TOTAL DIRECT COMPENSATION STRUCTURE

- **The long-term oriented compensation structure promotes long-term and sustainable value creation**
- **Variable compensation components are mainly granted on a long-term basis**; the grant amount under the Long-Term Incentive exceeds the target Short-Term Incentive amount for each fiscal year
- **71 % of the Target Total Direct Compensation is comprised of performance-based variable compensation components** with a **40 % share of the Long-Term Incentive** (56 % of the variable components) reflecting the long-term orientation of the compensation structure
